(NYSE MKT:XTNT), a leader in the development, manufacturing and marketing of orthopedic products for domestic and international markets, today announced it has been named as the Montana Ambassador Business of the Year. Xtant Medical was honored for making an outstanding contribution to the economic development in Montana.

“We are incredibly humbled to receive this recognition from the Governor of Montana, Steve Bullock, and to be selected by the Montana Ambassadors” said Carl O’Connell, CEO of Xtant Medical. “We have exceptional people that are the engine of Xtant Medical, who embody the Montana spirit, and who are passionate about the work we perform and the ability to make a difference in the lives of others. For us, this not only speaks to our Montana-base, but to our employees across the country. We would like to commend the Governor and the Montana Congressional Delegation for the work they do to support and advocate for businesses headquartered in Montana.”

“Biosciences is a flourishing industry, and we felt it was important to recognize a successful Montana company in this space, and to prove that these companies can flourish in the state” said Kurt Burgess, Montana Ambassador. “Xtant Medical is the perfect example of a company that has encompassed the exceptional resources Montana has to offer to businesses. They are recognized worldwide as strong competitors in the biologics industry, and therefore deserve to be recognized for their many accomplishments.”
