NOTICE OF ACTION BY WRITTEN CONSENT AND INFORMATION STATEMENT

WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY

To Our Stockholders:

This Information Statement is furnished to inform holders of shares of common stock of Xtant Medical Holdings, Inc. (the “Company,” “our,” “we” or “us”) that the Board of Directors and the holders of greater than a majority of the voting power of the outstanding shares of our common stock entitled to vote as of the record date of August 23, 2022 (collectively, the “Majority Stockholders”) have approved the terms of a private placement transaction, as described in more detail below (the “Private Placement”).

On August 23, 2022, we entered into a securities purchase agreement (the “Securities Purchase Agreement”) with several accredited investors (the “Investors”), pursuant to which we agreed to issue an aggregate of 20,305,429 shares of our common stock and warrants to purchase up to an aggregate of 5,076,358 shares of our common stock in a private placement, at a per unit (each unit consisting of one share and a warrant to purchase 0.25 of a share) purchase price of \$0.48, which represents a 2.5% discount to the 10-day volume-weighted average price of our common stock ending August 19, 2022. The gross proceeds to us from the transaction are expected to be approximately \$9.75 million, before deducting estimated offering expenses payable by us. We expect to use the net proceeds from the Private Placement for working capital and other general corporate purposes.

The closing of the Private Placement is structured to occur in two tranches in order to comply with the continued listing requirements of the NYSE American, which require stockholder approval of the sale, issuance, or potential issuance by listed companies of common stock (or securities convertible into common stock) at a price less than the greater of book or market value which equals 20% or more of outstanding common stock prior to the transaction (the “Stockholder Approval”). The first closing of the Private Placement (the “First Closing”) occurred on August 25, 2022. At the First Closing, we issued to the Investors an aggregate of 14,060,315 shares of our common stock and warrants to purchase up to an aggregate of 3,515,079 shares of our common stock, for an aggregate purchase price of approximately \$6.75 million. The shares of our common stock and warrants issued at the First Closing constituted less than 20% of our outstanding common stock prior to the Private Placement and, therefore, did not require Stockholder Approval.

Under the terms of the Securities Purchase Agreement, the second closing of the Private Placement (the “Second Closing”) will occur as soon as reasonably practicable after the satisfaction of customary closing conditions, including the effectiveness of the Stockholder Approval (which was granted by OrbiMed Royalty Opportunities II, LP and ROS Acquisition Offshore LP taking action by written consent, as described in this Information Statement) and a waiting period of 20 days after the mailing of this Information Statement to all holders of our common stock as of the record date informing them of the Stockholder Approval, but in no event earlier than the second trading day thereafter or later than the fifth trading day thereafter. At the Second Closing, the Investors agreed to purchase an aggregate of 6,245,114 shares of our common stock and warrants to purchase up to an aggregate of 1,561,279 shares of our common stock, for an aggregate purchase price of approximately \$3 million. The issuance of the shares and warrants to the Investors at the Second Closing is referred to as the “Second Closing Issuance” in this Information Statement.

Pursuant to Section 228 of the General Corporation Law of the State of Delaware (the “DGCL”) and Section 1.10 of the Company’s Second Amended and Restated Bylaws, stockholder action may be taken by written consent without a meeting of stockholders. By written consent without a meeting, on August 23, 2022, the Majority Stockholders approved the Second Closing Issuance. The full text of this written consent by the Majority Stockholders without a meeting of stockholders is attached to this Information Statement as [Annex A](#). This Information Statement also constitutes notice to you under Section 228 of the DGCL of the actions taken by written consent by the Majority Stockholders without a meeting of stockholders.

PLEASE NOTE THAT THE NUMBER OF VOTES RECEIVED FROM THE MAJORITY STOCKHOLDERS BY WRITTEN CONSENT IS SUFFICIENT TO SATISFY THE STOCKHOLDER APPROVAL REQUIREMENT FOR THESE ACTIONS UNDER THE DGCL AND NYSE AMERICAN RULES AND NO ADDITIONAL VOTES WILL CONSEQUENTLY BE NEEDED, OR ARE BEING SOLICITED, TO APPROVE THE SECOND CLOSING ISSUANCE.

This Information Statement is being furnished to all holders of our common stock pursuant to Section 14(c) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and the rules and regulations promulgated thereunder, solely for the purpose of informing stockholders of the approval of the Second Closing Issuance by the Majority Stockholders before the action takes effect.

The record date for determining our stockholders who were entitled to notice of the written consent by the Majority Stockholders was August 23, 2022, the date that the Board of Directors of the Company took action in connection therewith. In accordance with Exchange Act Rule 14c-2, the written consent by the Majority Stockholders will become effective no sooner than 20 calendar days following the mailing of this Information Statement. This Information Statement is being mailed on or about September 9, 2022 to stockholders of record as of August 23, 2022 solely for the purpose of informing stockholders of the written consent by the Majority Stockholders without a meeting of stockholders.

Holders of our common stock do not have appraisal or dissenters' rights under the DGCL in connection with the matters described in this Information Statement and approved by the Majority Stockholders.

You are urged to read this Information Statement carefully in its entirety, including any information incorporated by reference into this Information Statement. However, no action is required on your part in connection with this document.

THIS IS NOT A NOTICE OF A SPECIAL MEETING OF STOCKHOLDERS, AND NO STOCKHOLDER MEETING WILL BE HELD TO CONSIDER ANY MATTER DESCRIBED HEREIN. THIS INFORMATION STATEMENT IS BEING FURNISHED TO YOU SOLELY FOR THE PURPOSE OF INFORMING STOCKHOLDERS OF THE MATTERS DESCRIBED HEREIN PURSUANT TO SECTION 14(c) OF THE EXCHANGE ACT AND THE REGULATIONS PROMULGATED THEREUNDER, INCLUDING REGULATION 14C, AND PURSUANT TO SECTION 228 OF THE DGCL.

INFORMATION STATEMENT

We are required to deliver this Information Statement to holders of shares of common stock, par value \$0.000001 per share (“common stock”), of Xtant Medical Holdings, Inc. (the “Company,” “our,” “we” or “us”) in order to provide notice that certain holders of greater than a majority of the voting power of the outstanding shares of our common stock entitled to vote as of the record date set forth below (collectively, the “Majority Stockholders”), without holding a meeting of stockholders at which holders of our common stock would be entitled to vote, have provided written consent to an action that would normally require such a meeting.

THE ACCOMPANYING MATERIAL IS BEING PROVIDED TO YOU FOR INFORMATIONAL PURPOSES ONLY. NO VOTE OR OTHER ACTION OF OUR STOCKHOLDERS IS REQUIRED IN CONNECTION WITH THE MATTERS DESCRIBED IN THIS INFORMATION STATEMENT.

WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY.

Information Concerning the Action by Written Consent

This Information Statement is being mailed on or about September 9, 2022 to the holders of record at the close of business on August 23, 2022 (the “Record Date”) of our common stock pursuant to Rule 14c-2 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and pursuant to Section 228 of the General Corporation Law of the State of Delaware (the “DGCL”) and Section 1.10 of the Company’s Second Amended and Restated Bylaws (“Bylaws”).

The purpose of this Information Statement is to inform holders of our common stock that by written consent without a meeting, the Majority Stockholders approved the issuance of an aggregate of 6,245,114 shares of our common stock and warrants to purchase up to an aggregate of 1,561,279 shares of our common stock, for an aggregate purchase price of approximately \$3 million, in a second closing of a private placement described in more detail in this Information Statement. The issuance of the shares of our common stock and warrants to the Investors at the second closing is referred to as the “Second Closing Issuance” in this Information Statement. The full text of this written consent by the Majority Stockholders without a meeting of stockholders is attached to this Information Statement as Annex A.

The approval of the Second Closing Issuance is required by the rules and regulations of the NYSE American, as further described in this Information Statement. While typically the required vote under the NYSE American rules is the approval by a majority of votes cast at a meeting of stockholders, because the required Stockholder Approval was obtained by use of written consents in lieu of a special shareholders meeting, the required vote was the written consent of holders of a majority of the shares entitled to vote as of the Record Date. The written consent of the Majority Stockholders was sufficient to approve the Second Closing Issuance. Therefore, no proxies or consents were, or are, being solicited in connection with the Second Closing Issuance.

THIS IS NOT A NOTICE OF A MEETING OF STOCKHOLDERS AND NO STOCKHOLDER MEETING WILL BE HELD TO CONSIDER ANY MATTER DESCRIBED IN THIS INFORMATION STATEMENT.

WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY.

Other than the stockholder written consent described above, no other votes are necessary or required to effectuate the Second Closing Issuance or the Private Placement described in this Information Statement.

Effective Date of Action by Written Consent

This Information Statement is being furnished to all holders of our common stock pursuant to Section 14(c) of the Exchange Act and the rules and regulations promulgated thereunder solely for the purpose of informing stockholders of the approval by the Majority Stockholders of the Second Closing Issuance before it takes effect. In accordance with Exchange Act Rule 14c-2, the written consent by the Majority Stockholders without a meeting of stockholders will become effective no sooner than 20 calendar days following the mailing of this Information Statement. After the expiration of the 20-day period required under Rule 14c-2 promulgated under the Exchange Act, and in accordance with the DGCL, we intend to effect the second closing of the Private Placement and issue the shares of our common stock and warrants to the Investors.

Outstanding Shares and Voting Rights as of Record Date

As of the Record Date, our authorized capital stock consisted of 300 million shares of common stock and 10 million shares of preferred stock at a par value of \$0.000001 per share ("preferred stock"), of which 87,920,935 shares of common stock and no shares of preferred stock were issued and outstanding, respectively. Each share of our outstanding common stock is entitled to one vote on matters submitted for stockholder approval and to notice of action to be taken pursuant to written consent, such as the written consent action taken by the Majority Stockholders.

On August 23, 2022, the Majority Stockholders executed and delivered to the Company a written consent by which holders of 73,114,592 shares of our common stock, or approximately 83% of the voting power of the outstanding shares of our common stock entitled to vote on the matter, approved the Second Closing Issuance. Since the Second Closing Issuance has been approved by the Majority Stockholders, no proxies are being solicited with this Information Statement.

The DGCL permits the holders of a corporation's outstanding stock representing a majority of that corporation's voting power to approve and authorize corporate actions by written consent as if such actions were undertaken at a duly called and held meeting of stockholders. In order to significantly reduce the costs and management time involved in soliciting and obtaining proxies to approve the Second Closing Issuance and in order to timely effectuate the second closing of the Private Placement, the Board of Directors of the Company elected to utilize, and did in fact obtain, the written consent of the holders of greater than a majority of the voting power of the Company. The Company obtained the written consent of the stockholders who, as of the Record Date, owned approximately 83% of the Company's voting stock. The written consent satisfies the stockholder approval requirement for the action taken. Accordingly, under the DGCL, no other Board of Directors or stockholder approval is required in order to effect such action.

No Dissenters' or Appraisal Rights

The DGCL does not provide dissenters' or appraisal rights to stockholders of the Company in connection with the Second Closing Issuance or the Private Placement or any matter described in this Information Statement.

Expenses

The cost of furnishing this Information Statement will be borne by the Company. We will mail this Information Statement to registered stockholders and certain beneficial stockholders of the Company where requested by brokerage houses, nominees, custodians, fiduciaries and other like parties.

QUESTIONS AND ANSWERS ABOUT THIS INFORMATION STATEMENT

Q: Why am I receiving these materials?

A: We are providing this Information Statement to you for your information to comply with the requirements of the Exchange Act and the DGCL. You are urged to read this Information Statement carefully in its entirety, including any information incorporated by reference into this Information Statement. However, no action is required on your part in connection with this document.

The record date for determining our stockholders who were entitled to notice of the matters set forth in this Information Statement was August 23, 2022, the date that the Board of Directors of the Company took action in connection therewith. While typically the required vote under the NYSE American rules is the approval by a majority of votes cast at a meeting of stockholders, because the required Stockholder Approval was obtained by use of written consents in lieu of a special shareholders meeting, the required vote was the written consent of holders of a majority of the shares entitled to vote as of the Record Date. The written consent of the Majority Stockholders was sufficient to approve the Second Closing Issuance. In accordance with Exchange Act Rule 14c-2, the written consent by the Majority Stockholders will become effective no sooner than 20 calendar days following the mailing of this Information Statement. This Information Statement is being mailed on or about September 9, 2022, to stockholders of record as of August 23, 2022. Therefore, these actions will be effective on or about October 6, 2022.

Q: What information is contained in this Information Statement?

A: This Information Statement contains information regarding actions approved by the Board of Directors of the Company and holders of our common stock holding an aggregate of 73,114,592 shares of our common stock, representing approximately 83% of our total shares of common stock outstanding as of the Record Date. We refer to these stockholders as the Majority Stockholders in this Information Statement.

Q: What action was taken by written consent of the Majority Stockholders?

A: The action approved by the written consent of the Majority Stockholders without a meeting of stockholders is more completely described elsewhere in this Information Statement, but in summary is the approval of the issuance to certain investors of an aggregate of 6,245,114 shares of our common stock and warrants to purchase up to an aggregate of 1,561,279 shares of our common stock, for an aggregate purchase price of approximately \$3 million, in a second closing of a Private Placement described in more detail in this Information Statement. The full text of this written consent by the Majority Stockholders without a meeting of stockholders is attached to this Information Statement as Annex A.

Q: Why are you not soliciting proxies on this action?

A: We are not soliciting proxies on the Second Closing Issuance because the Majority Stockholders, who together hold approximately 83% of our voting power, provided written consent approving the action, and no other action on the part of our stockholders is necessary or required to effectuate the Second Closing Issuance or the Private Placement.

Q: When do you expect to effect the Second Closing Issuance and complete the Private Placement?

A: In accordance with Exchange Act Rule 14c-2, the written consent of the Majority Stockholders without a meeting of stockholders will become effective no sooner than 20 calendar days following the mailing of this Information Statement. After the expiration of the 20-day period required under Rule 14c-2 promulgated under the Exchange Act, and in accordance with the DGCL and the terms of the Securities Purchase Agreement entered into with the investors in connection with the Private Placement, we intend to effect the second closing of the Private Placement and issue the shares of our common stock and warrants in connection therewith, or the Second Closing Issuance.

Q: To whom may I direct any additional questions regarding this Information Statement?

**DESCRIPTION OF PRIVATE PLACEMENT, SECURITIES PURCHASE AGREEMENT
AND OTHER TRANSACTION DOCUMENTS**

Private Placement and Securities Purchase Agreement

On August 23, 2022, we entered into a securities purchase agreement with several accredited investors (the “Investors”), pursuant to which we agreed to issue an aggregate of 20,305,429 shares of our common stock and warrants to purchase up to an aggregate of 5,076,358 shares of our common stock in a private placement, at a per unit (each unit consisting of one share and a warrant to purchase 0.25 of a share) purchase price of \$0.48, which represents a 2.5% discount to the 10-day volume-weighted average price of our common stock ending August 19, 2022. The gross proceeds to us from the transaction are expected to be approximately \$9.75 million, before deducting estimated offering expenses payable by us. We expect to use the net proceeds from the Private Placement for working capital and other general corporate purposes.

The closing of the Private Placement is structured to occur in two tranches in order to comply with the continued listing requirements of the NYSE American, which require stockholder approval of the sale, issuance, or potential issuance by listed companies of common stock (or securities convertible into common stock) at a price less than the greater of book or market value which equals 20% or more of outstanding common stock prior to the transaction (the “Stockholder Approval”). Under the terms of the Securities Purchase Agreement, the first closing of the Private Placement (the “First Closing”) occurred on August 25, 2022. At the First Closing, the Investors purchased an aggregate of 14,060,315 shares of our common stock and warrants to purchase up to an aggregate of 3,515,079 shares of our common stock, for an aggregate purchase price of approximately \$6.75 million. Under the terms of the Securities Purchase Agreement, the second closing of the Private Placement (the “Second Closing”) will occur as soon as reasonably practicable after the satisfaction of customary closing conditions, including the effectiveness of the Stockholder Approval (which was granted by OrbiMed Royalty Opportunities II, LP and ROS Acquisition Offshore LP taking action by written consent, as described in this Information Statement) and a waiting period of 20 days after the mailing of this Information Statement to all holders of our common stock as of the record date informing them of the Stockholder Approval, but in no event earlier than the second trading day thereafter or later than the fifth trading day thereafter. At the Second Closing, the Investors agreed to purchase an aggregate of 6,245,114 shares of our common stock and warrants to purchase up to an aggregate of 1,561,279 shares of our common stock, for an aggregate purchase price of approximately \$3 million.

The Warrants issued at the First Closing were immediately exercisable and will expire on the five-year anniversary of the date of the First Closing, and have an exercise price of \$0.48 per share, subject to customary anti-dilution, but not price protection, adjustments. The Warrants to be issued at the Second Closing also will be immediately exercisable and will expire on the five-year anniversary of the date of the First Closing and will have an exercise price of \$0.48 per share, subject to customary anti-dilution, but not price protection, adjustments.

Under the terms of the Securities Purchase Agreement, we agreed that in the event we or any of our subsidiaries propose to offer and sell shares of our common stock or certain common stock equivalents primarily for capital raising purposes, we would provide the Investors the right, but not the obligation, to participate in such offering in an aggregate amount of up to 20% of the securities offered in such offering, subject to certain customary exceptions. This participation right will expire upon the earlier of 12 months after the date of the Second Closing or upon the occurrence of certain change in control events.

The Securities Purchase Agreement contains customary representations, warranties and covenants of the parties thereto and also contains customary termination rights, including in the event of certain breaches of representations, warranties and covenants or a governmental order temporarily or permanently enjoining or otherwise prohibiting the consummation of the transactions contemplated by the Securities Purchase Agreement.

Lead Investor Agreement

Under the terms of the Securities Purchase Agreement, we entered into an agreement with Stavros Vizirgianakis, as the lead investor of the Private Placement, at the First Closing, pursuant to which we provide Mr. Vizirgianakis certain director nomination rights (the “Lead Investor Agreement”). Pursuant to the terms of the Lead Investor Agreement, we expanded the size of our Board of Directors by one position and elected Mr. Vizirgianakis as a director to fill the vacancy created as a result of the increase, effective upon completion of the First Closing. In addition, we elected Mr. Vizirgianakis as Chairman of the Board, effective upon completion of the First Closing. The director nomination rights set forth in the Lead Investor Agreement will terminate on the earlier of (i) the date on which Mr. Vizirgianakis ceases to hold at least 75% of the shares of our common stock purchased and to be purchased by him in the Private Placement; (ii) the second anniversary of the date of the Second Closing; or (iii) upon his written notice to us.

Lock-up Agreements

Under the terms of the Securities Purchase Agreement, each of the Investors at the First Closing executed a lock-up agreement with us pursuant to which such Investor agreed to a three-month lock-up (12-month lock-up, in the case of Stavros Vizirgianakis, as the lead investor in the Private Placement) on any sale or other disposition of our common stock, subject to certain exceptions.

Registration Rights Agreement

Under the terms of the Securities Purchase Agreement, we entered into a registration rights agreement (the “Registration Rights Agreement”) with the Investors at the First Closing pursuant to which we agreed to prepare and file a shelf resale registration statement (the “Resale Registration Statement”) with the Securities and Exchange Commission (“SEC”) within 60 days of the date of the First Closing, for purposes of registering the resale of the shares of our common stock sold in the Private Placement and the shares of our common stock issuable upon exercise of the warrants sold in the Private Placement (collectively, the “Registrable Securities”). Under the terms of the Registration Rights Agreement, we agreed to use commercially reasonable best efforts to cause the Resale Registration Statement to be declared effective by the SEC within 75 days of the date of the First Closing (90 days in the event the Resale Registration Statement is reviewed by the SEC). If the Second Closing has not occurred within 60 days following the date of the First Closing, we may elect to register the resale of the Registrable Securities issued at the Second Closing on a second registration statement (the “Second Resale Registration Statement”), in which case then we agreed to file the Second Resale Registration Statement within five business days after the date of the Second Closing and use our commercially reasonable best efforts to cause the Second Resale Registration Statement to be declared effective by the SEC within 15 days of the date of the Second Closing (30 days in the event the Second Closing Registration Statement is reviewed by the SEC). If we fail to meet the specified filing deadlines or keep the Resale Registration Statement, and if applicable the Second Resale Registration Statement, effective, subject to certain permitted exceptions, we will be required to pay liquidated damages to the Investors. We also agreed, among other things, to indemnify the selling stockholders named in the Resale Registration Statement, and if applicable the Second Resale Registration Statement, from certain liabilities and to pay all fees and expenses incident to our performance of or compliance with the Registration Rights Agreement.

Stockholder Approval of Issuance of Securities for NYSE American Purposes

Immediately after the execution of the Securities Purchase Agreement by the parties thereto, we obtained the written consent of OrbiMed Royalty Opportunities II, LP and ROS Acquisition Offshore LP, the holders of an aggregate of 73,114,592 shares of our common stock, representing greater than a majority of the outstanding shares of our common stock as of the record date, August 23, 2022, for the approval of the issuance of the 6,238,146 shares of our common stock and warrants to purchase up to an aggregate of 1,559,536 shares of our common stock at the Second Closing pursuant to the continued listing requirements of the NYSE American and in accordance with applicable provisions of the DGCL and the Company’s Second Amended and Restated Bylaws. The full text of the written consent by the Majority Stockholders is attached to this Information Statement as [Annex A](#). The written consent of the Majority Stockholders was sufficient to approve the issuance of the 6,245,114 shares of our common stock and warrants to purchase up to an aggregate of 1,561,279 shares of our common stock at the Second Closing for purposes of the required Stockholder Approval under the continued listing requirements of the NYSE American. Therefore, no proxies or additional consents are being solicited by us in connection with the Private Placement.

In accordance with Exchange Act Rule 14c-2, the written consent of the Majority Stockholders will become effective no sooner than 20 days following the mailing of this Information Statement. After the expiration of the 20-day period required under Rule 14c-2 promulgated under the Exchange Act and the satisfaction or waiver of other customary closing conditions, the Second Closing will take place in accordance with the terms of the Securities Purchase Agreement.

APPROVAL OF ISSUANCE OF SECURITIES TO INVESTORS IN PRIVATE PLACEMENT

Background

As described in more detail under “Description of Private Placement, Securities Purchase Agreement and Other Transaction Documents” on August 23, 2022, we entered into a Securities Purchase Agreement with several accredited investors, pursuant to which we agreed to issue an aggregate of 20,305,429 shares of our common stock and warrants to purchase up to an aggregate of 5,076,358 shares of our common stock in a private placement, at a per unit (each unit consisting of one share and a warrant to purchase 0.25 of a share) purchase price of \$0.48, which represents a 2.5% discount to the 10-day volume-weighted average price of our common stock ending August 19, 2022. The gross proceeds to us from the transaction are expected to be approximately \$9.75 million, before deducting estimated offering expenses payable by us. We expect to use the net proceeds from the Private Placement for working capital and other general corporate purposes. The material terms of the Private Placement, the Securities Purchase Agreement and other transaction documents are described under “Description of Private Placement and Securities Purchase Agreement and Other Transaction Documents” beginning on page 6.

Reasons for Stockholder Approval of the Second Closing Issuance

Our common stock is listed on the NYSE American. Section 713(a) of the NYSE American rules requires stockholder approval in connection with a transaction involving the sale, issuance or potential issuance by the issuer of common stock (or securities convertible into common stock) equal to 20% or more of presently outstanding shares of common stock at a price less than the greater of book value or market value.

Because the 20,305,429 shares of our common stock and warrants to purchase an additional 5,076,358 shares of our common stock issuable to the Investors in the Private Placement represent greater than 20% of our shares of common stock outstanding prior to the Private Placement, the approval of our stockholders was required under the NYSE American rules. To comply with these rules, we structured the closing of the Private Placement to occur in two tranches. The First Closing occurred on August 25, 2022. At the First Closing, the Investors purchased an aggregate of 14,060,315 shares of our common stock and warrants to purchase up to an aggregate of 3,515,079 shares of our common stock, for an aggregate purchase price of approximately \$6.75 million, which shares and warrants represented less than 20% of our shares of common stock outstanding prior to the Private Placement. Under the terms of the Securities Purchase Agreement, the Second Closing will occur as soon as reasonably practicable after the satisfaction of customary closing conditions, including the effectiveness of the Stockholder Approval (which was granted by OrbiMed Royalty Opportunities II, LP and ROS Acquisition Offshore LP taking action by written consent, as described in this Information Statement) and a waiting period of 20 days after the mailing of this Information Statement to all holders of our common stock as of the record date informing them of the Stockholder Approval, but in no event earlier than the second trading day thereafter or later than the fifth trading day thereafter. At the Second Closing, the Investors agreed to purchase an aggregate of 6,245,114 shares of our common stock and warrants to purchase up to an aggregate of 1,561,279 shares of our common stock, for an aggregate purchase price of approximately \$3 million.

Immediately after the execution of the Securities Purchase Agreement by the parties thereto, we obtained the written consent of OrbiMed Royalty Opportunities II, LP and ROS Acquisition Offshore LP, the holders of an aggregate of 73,114,592 shares of our common stock, representing greater than a majority of the outstanding shares of our common stock as of the record date, August 23, 2022, for the approval of the issuance of the 6,245,114 shares of our common stock and warrants to purchase up to an aggregate of 1,561,279 shares of our common stock at the Second Closing pursuant to the continued listing requirements of the NYSE American and in accordance with applicable provisions of the DGCL and the Company’s Second Amended and Restated Bylaws. The full text of this written consent by the Majority Stockholders is attached to this Information Statement as Annex A. The written consent of the Majority Stockholders was sufficient to approve the issuance of the 6,245,114 shares of our common stock and warrants to purchase up to an aggregate of 1,561,279 shares of our common stock at the Second Closing for purposes of the required Stockholder Approval under Section 713(a) of the NYSE American rules. Therefore, no proxies or additional consents are being solicited by us in connection with the Private Placement.

Interests of Directors, Officers and Affiliates in the Second Closing Issuance

In connection with the Private Placement, at the first closing, we entered into the Lead Investor Agreement with Stavros Vizirgianakis, as the lead investor of the Private Placement, pursuant to which we agreed to provide Mr. Vizirgianakis certain director nomination rights. Pursuant to the terms of the Lead Investor Agreement, we expanded the size of our Board of Directors by one position and elected Mr. Vizirgianakis as a director to fill the vacancy created as a result of the increase, effective upon completion of the First Closing. In addition, we elected Mr. Vizirgianakis as Chairman of the Board, effective upon completion of the First Closing. The director nomination rights set forth in the Lead Investor Agreement will terminate on the earlier of (i) the date on which Mr. Vizirgianakis ceases to hold at least 75% of the shares of our common stock purchased and to be purchased by him in the Private Placement; (ii) the second anniversary of the date of the Second Closing; or (iii) upon his written notice to us. As an investor in the Private Placement, Mr. Vizirgianakis purchased 3,515,079 shares of our common stock and warrants to purchase 878,770 shares of our common stock at the First Closing and agreed to purchase an additional 2,264,861 shares of our common stock and warrants to purchase 566,214 shares of our common stock at the Second Closing.

No other director or officer of the Company, nor any associate of such person, has any substantial interest by security holding or otherwise in the issuance of the shares of our common stock and warrants to purchase shares of our common stock in the Second Closing Issuance.

No Preemptive Rights of Common Stock

Other than contractual preemptive rights granted to the Majority Stockholders in 2018 under the terms of that certain Investor Rights Agreement dated as of February 14, 2018 among the Company, the Majority Stockholders and other parties thereto, which were waived in connection with the Private Placement, and participation rights granted to the Investors in the Private Placement under the terms of the Securities Purchase Agreement, our stockholders have no preemptive rights to acquire any shares issued by us under our Amended and Restated Certificate of Incorporation, as amended, or otherwise. In addition, no share of our common stock is convertible, redeemable, assessable or entitled to the benefits of any sinking or repurchase fund.

Effect of the Second Closing Issuance upon Rights of Existing Stockholders

The principal effect upon the rights of our existing stockholders of the Second Closing Issuance will be a dilution in their current percentage ownership in the Company. Based on the number of shares of our common stock outstanding as of August 25, 2022, the Investors in the Private Placement will own approximately 19% of our outstanding common stock, or 20% on a fully diluted basis, after the Second Closing Issuance. After the Second Closing Issuance, the Majority Stockholders will own approximately 68% of our outstanding common stock, or 58% on a fully diluted basis. The other stockholders of the Company, who owned approximately 32% of our outstanding common stock prior to the Private Placement, will be substantially diluted from an ownership standpoint and will own approximately 14% of our outstanding common stock following the consummation of the Second Closing Issuance.

In addition, the issuance of the 6,245,114 shares of our common stock and warrants to purchase an additional 1,561,279 shares of our common stock to the Investors in the Second Closing Issuance could materially and adversely affect the market price of our common stock.

Registration Rights

We agreed to provide the Investors registration rights pursuant to a Registration Rights Agreement for the resale of the shares of our common stock issued in the Private Placement and the shares of our common stock issuable upon exercise of the Warrants issued in the Private Placement. Under the terms of the Registration Rights Agreement, we agreed to prepare and file a shelf resale registration statement with the SEC within 60 days of the date of the First Closing, for purposes of registering the resale of the Shares and the shares of our common stock outstanding immediately after giving effect to the issuance of shares of our common stock issuable upon exercise of the Warrants. Under the terms of the Registration Rights Agreement, we agreed to use commercially reasonable best efforts to cause the Resale Registration Statement to be declared effective by the SEC within 75 days of the date of the First Closing (90 days in the event the Resale Registration Statement is reviewed by the SEC). If the Second Closing has not occurred within 60 days following the date of the First Closing, we may elect to register the resale of the Registrable Securities issued at the Second Closing on a second registration statement, in which case then we agreed to file the Second Resale Registration Statement within five business days after the date of the Second Closing and use our commercially reasonable best efforts to cause the Second Resale Registration Statement to be declared effective by the SEC within 15 days of the date of the Second Closing (30 days in the event the Second Closing Registration Statement is reviewed by the SEC). If we fail to meet the specified filing deadlines or keep the Resale Registration Statement, and if applicable the Second Resale Registration Statement, effective, subject to certain permitted exceptions, we will be required to pay liquidated damages to the Investors. We also agreed, among other things, to indemnify the selling stockholders named in the Resale Registration Statement, and if applicable, Second Closing Registration Statement, from certain liabilities and to pay all fees and expenses incident to our performance of or compliance with the Registration Rights Agreement. Upon such registration, such shares of our common stock will be freely tradable in the public market without restriction (other than restrictions imposed on any affiliates of the Company).

By virtue of such relationships, Advisors may be deemed to have voting and investment power with respect to the securities held by ROS Acquisition as noted above and as a result may be deemed to have beneficial ownership over such securities. Advisors exercises its voting and investment power through a management committee comprised of Carl L. Gordon, Sven H. Borho, and W. The number of shares consists of 6,246,291 shares of our common stock and 6,497,918 shares of our common stock issuable upon exercise of a warrant (the “Altium Warrant”).

(4) While the total number of shares of our common stock issuable upon exercise of the Altium Warrant is reflected in this table, the Fund is not permitted to exercise such Altium Warrant to the extent that such exercise would result in the Fund and its affiliates beneficially owning more than 9.99% of the number of shares of our common stock outstanding immediately after giving effect to the issuance of shares of common stock issuable upon exercise of such warrants. The Fund has the right to increase this beneficial ownership limitation in its discretion on 61 days’ prior written notice to us.

Except as otherwise indicated, and subject to applicable community property laws, the persons named in the table have sole voting and investment power with respect to all shares of common stock held by that person.

The percentage of shares beneficially owned is computed on the basis of 87,920,935 shares of our common stock outstanding as of August 23, 2022. Shares of our common stock that a person has the right to acquire within 60 days of August 23, 2022, are deemed outstanding for purposes of computing the percentage ownership of the person holding such rights, but are not deemed outstanding for purposes of computing the percentage ownership of any other person.
