RE: Employment Offer

Dear Greg,

I am pleased to offer you the position of Vice President, Finance & Interim CFO of Xtant Medical Holdings, Inc. ("Xtant"). You will report directly to me and you will be responsible for all finance, tax, cash, payroll, FP&A and SEC reporting functions. You will serve as Xtant's principal accounting officer overseeing these functions.

The compensation for the full-time position is as follows:

Base Salary:	\$	325,000
Bonus Potential:	\$	162,500 (50% of base salary)
Total	\$	487,500

The position includes 3 weeks annual vacation and participation in Xtant health and other employee benefit programs.

This is a full-time, exempt position, reporting to me. In this position, you will be considered an executive officer of Xtant.

This Offer of Employment will expire if not accepted by February 11, 2019. This Offer of Employment is contingent upon the following:

- (i) Successful verification of your employment and educational history combined with what Xtant considers to be an acceptable criminal background report.
- (ii) Signing Xtant's standard at-will employment agreement, which includes confidentiality, non-competition and non-solicitation provisions, on or before your first day of employment. I am attaching a copy of this agreement for your review and signature.
- (iii) Proving your eligibility to work in the United States by way of completion of the I-9 Form.

While you are serving as Interim CFO, we agree to provide each other with no less than 60 days' notice of termination. At some point in the future, if we decide that it is mutually beneficial to convert your position from Interim to permanent CFO, then we will amend your contract to include the usual and customary terms. However, we recognize that you retain the option, as does Xtant, of ending your employment with Xtant at any time, with or without cause. As such, your employment with Xtant is at-will and neither this Offer, your at-will employment agreement, nor any other oral or written representations may be considered a contract for any specific period of time.

Ideally, I'd like you to start next week so that you can participate in the annual audit and, at the end, be comfortable signing audited results with me for our annual 10-K SEC filing.

Please note that your appointment as an officer of Xtant is a disclosable event for Xtant. Accordingly, please keep the terms of this offer letter confidential until Xtant publicly announces the terms hereof. We will coordinate with you on this disclosure.

If this position is acceptable to you then please return a signed copy of this letter and the attached agreement.

Looking forward to working with you and having you join our team.

All the best,

/s/ Michael Mainelli

(together with its subsidiaries, the “Company”), and Greg Jensen, an Individual (“Employee”), and is effective on February 11, 2019 (“Effective Date”). The Company and Employee are sometimes referred to as the “Parties” or “Party” in this Agreement, and the Company may designate a subsidiary to be the employer of the Employee.

1. EMPLOYMENT AND DUTIES.

A. Job Title and Responsibilities. Employee hereby agrees to be employed as Vice President, Finance and Interim Chief Financial Officer. Employee enters into this Agreement in exchange for Company’s offer of at-will employment. As an at-will employee, Employee’s services may be terminated with or without cause by the Company or by the Employee at any time upon sixty (60) days’ written notice to the other Party of any termination of employment.

D. Duty of Loyalty. B. Definitions.

1. "Competitive Business" means (i) any person, entity or organization which is engaged in or about to become engaged in research on, consulting regarding, or development, production, marketing or selling of any product, process, technology, device, invention or service which resembles, competes with or is intended to resemble or compete with a product, process, technology, device, invention or service under research or development or being promoted marketed, sole or serviced by the Company; or (ii) any other line of business that was conducted or proposed to be conducted by the Company or any affiliate, successor or related entity at any time during the term of Employee's employment with the Company.

4. NON-SOLICITATION AND NON-INTERFERENCE COVENANTS.

A. Non-solicitation of Employees and Others. During the Restricted Period, Employee shall not, directly or indirectly, solicit, recruit, or induce, or attempt to solicit, recruit or induce any employee, consultant, independent contractor, vendor, supplier, or agent to (i) terminate or otherwise adversely affect his or her employment or other business relationship (or prospective employment or business relationship) with the Company, or (ii) work for Employee or any other person or entity, other than the Company or its affiliates or related entities.

5. ACKNOWLEDGEMENTS. Employee acknowledges and agrees that:

A. The geographic and duration restrictions contained in Sections 3 and 4 of this Agreement are fair, reasonable, and necessary to protect the Company's legitimate business interests and trade secrets, given the geographic scope of the Company's business operations, the competitive nature of the Company's business, and the nature of Employee's position with the Company;

B. Employee's employment creates a relationship of confidence and trust between Employee and the Company with respect to the Confidential Information, and Employee will have access to Confidential Information (including but not limited to trade secrets) that would be valuable or useful to the Company's competitors;

C. The Company's Confidential Information is a valuable asset of the Company, and any violation of the restrictions set forth in this Agreement would cause substantial injury to the Company;

D. The restrictions contained in this Agreement will not unreasonably impair or infringe upon Employee's right to work or earn a living after Employee's employment with the Company ends, but Employee is prepared for the possibility that his/her standard of living may be reduced during the Restricted Period and assumes and accepts any risk associated with that possibility; and

E. This Agreement is a contract for the protection of trade secrets under applicable law and is intended to protect the Confidential Information (including trade secrets) identified above.

6. "BLUE PENCIL" AND SEVERABILITY PROVISION. If a court of competent jurisdiction declares any provision of this Agreement invalid, void, voidable, or unenforceable, the court shall reform such provision(s) to render the provision(s) enforceable, but only to the extent absolutely necessary to render the provision(s) enforceable and only in view of the Parties' express desire that the Company be protected to the greatest possible extent under applicable law from improper competition and the misuse or disclosure of trade secrets and Confidential Information. To the extent such a provision (or portion thereof) may not be reformed so as to make it enforceable, it may be severed and the remaining provisions shall remain fully enforceable.

7. INVENTIONS.

A. Inventions Retained and Licensed. Attached as Exhibit A is a list describing all inventions and information created, discovered or developed by Employee, whether or not patentable or registrable under patent, copyright or similar statutes, made or conceived or reduced to practice or learned by Employee, either alone or with others before Employee's employment with the Company ("Prior Inventions"), which belong in whole or in part to Employee, and which are not being assigned by Employee to the Company. Employee represents that Exhibit A is complete and contains no confidential or confidential information belonging to a person or entity other than Employee. Employee acknowledges and agrees that Employee has no rights in any Inventions (as that term is defined below) other than the Prior Inventions listed on Exhibit A. If there is nothing identified on Exhibit A, Employee represents that there are no Prior Inventions as of the time of signing this Agreement. Employee shall not incorporate, or permit to be incorporated, any Prior Invention owned by Employee or in which he/she has an interest in a Company product, process or machine without the Company's prior written consent. Notwithstanding the foregoing, if, in the course of Employee's employment with the Company, Employee directly or indirectly incorporates into a Company product, process or machine a Prior Invention owned by Employee or in which Employee has an interest, the Company is hereby granted and shall have a non-exclusive, royalty-free, irrevocable, perpetual, world-wide license to make, have made, modify, use, create derivative works from and sell such Prior Invention as part of or in connection with such product, process or machine.

B. Assignment of Inventions. Employee shall promptly make full, written disclosure to the Company, will hold in trust for the sole right and benefit of the Company, and hereby irrevocably transfers and assigns, and agrees to transfer and assign, to the Company, or its designee, all his/her right, title and interest in and to any and all inventions, original works of authorship, developments, concepts, improvements, designs, discoveries, ideas, trademarks (and all associated goodwill), mask works, or trade secrets, whether or not they may be patented or registered under copyright or similar laws, which Employee may solely or jointly conceive or develop or reduce to practice, or cause to be conceived or developed or reduced to practice, during Employee's employment by the Company (the "Inventions"). Employee further acknowledges that all original works of authorship which are made by Employee (solely or jointly with others) within the scope of and during the period of his/her employment with the Company and which may be protected by copyright are "Works Made For Hire" as that term is defined by the United States Copyright Act. Employee understands and agrees that the decision whether to commercialize or market any Invention developed by Employee solely or jointly with others is within the Company's sole discretion and the Company's sole benefit and that no royalty will be due to Employee as a result of the Company's efforts to commercialize or market any such invention.

Employee recognizes that Inventions relating to his or her activities while working for the Company and conceived or made by Employee, whether alone or with others, within one (1) year after cessation of Employee's employment, may have been conceived in significant part while employed by the Company. Accordingly, Employee acknowledges and agrees that such Inventions shall be presumed to have been conceived during Employee's employment with the Company and are to be, and hereby are, assigned to the Company unless and until Employee has established the contrary.

The requirements of this Section 7B do not apply to any intellectual property for which no equipment, supplies, facility or trade secret information of the Company was used, and which was developed, entirely on the Employee's own time, and (i) which does related (x) directly to the Company's business or (y) to the Company's actual or demonstrably anticipated research and development or (ii) which does not result from any work the Employee performed for the Company.

C. Maintenance of Records. Employee agrees to keep and maintain adequate and current written records of all Inventions made by Employee (solely or jointly with others) during his/her employment with the Company. The records will be in the form of notes, sketches, drawings and any other format that may be specified by the Company. The records will be available to and remain the sole property of the Company at all times.

D. Patent, Trademark and Copyright Registrations. Employee agrees to assist the Company, or its designee, at the Company's expense, in every proper way to secure the Company's rights in the Inventions and any copyrights, patents, trademarks, service marks, mask works, or any other intellectual property rights in any and all countries relating thereto, including, but not limited to, the disclosure to the Company of all pertinent information and data with respect thereto, the execution of all applications, specifications, oaths, assignments and all other instruments the Company deems necessary in order to apply for and obtain such rights and in order to assign and convey to the Company, its successors, assigns, and nominees the sole and exclusive rights, title, and interest in and to such inventions, and any copyrights, patents, trademarks, service marks, mask works, or any other intellectual property rights relating thereto. Employee further agrees that his/her obligation to execute or cause to be executed, when it is in his/her power to do so, any such instrument or paper shall continue after termination or expiration of this Agreement of the cessation of his/her employment with the Company. If the Company is unable because of Employee's mental or physical incapacity or for any other reason to secure Employee's signature to apply for or to pursue any application for any United States or foreign patents, trademarks or copyright registrations covering inventions or original works of authorship assigned to the Company as above, then Employee hereby irrevocably designates and appoints the Company and its duly authorized officers and agents as Employee's agent and attorney-in-fact to act for and in his/her behalf and stead to execute and file any such applications and to do all other lawfully permitted acts to further the prosecution and issuance of letters, patent, trade marks or copyright registrations thereon with the same legal force and effect as if executed by Employee; this power of attorney shall be a durable power of attorney which shall come into existence upon Employee's mental or physical incapacity.

8. SURVIVAL AND REMEDIES. Employee's obligations of nondisclosure, non-solicitation, non-interference, and non-competition under this Agreement shall survive the cessation of Employee's employment with the Company and shall remain enforceable. In addition, Employee acknowledges that upon a breach or threatened breach of any obligation of nondisclosure, non-solicitation, non-interference, or non-competition of this Agreement, the Company will suffer irreparable harm and damage for which money alone cannot fully compensate the Company. Employee therefore agrees that upon such breach or threat of imminent breach of any such obligation, the Company shall be entitled to seek a temporary restraining order, preliminary injunction, permanent injunction or other injunctive relief, without posting any bond or other security, barring Employee from violating any such provision. This Section shall not be construed as an election of any remedy, or as a waiver of any right available to the Company under this Agreement or the law, including the right to seek damages from Employee for a breach of any provision of this Agreement and the right to require Employee to account for and pay over to the Company all profits or other benefits derived or received by the Employee as the result of such a breach, nor shall this Section be construed to limit the rights or remedies available under state law for any violation of any provision of this Agreement.

9. RETURN OF COMPANY PROPERTY. All devices, records, reports, data, notes, compilations, lists, proposals, correspondence, specifications, equipment, drawings, blueprints, manuals, DayTimers, planners, calendars, schedules, discs, data tapes, financial plans and information, or other recorded matter, whether in hard copy, magnetic media or otherwise (including all copies or reproductions made or maintained, whether on the Company's premises or otherwise), pertaining to Employee's work for the Company, or relating to the Company or the Company's Confidential Information, whether created or developed by the Employee alone or jointly during his/her employment with the Company, are the exclusive property of the Company. Employee shall surrender the same (as well as any other property of the Company) to the Company upon its request or promptly upon the cessation of employment. Upon the separation of Employee's employment, he/she agrees to sign and deliver the "Termination Certificate" attached as Exhibit B, which shall detail all Company property that is surrendered upon separation of employment.

10. NO CONFLICTING AGREEMENTS OR IMPROPER USE OF THIRD-PARTY INFORMATION. During her/his employment with the Company, Employee shall not improperly use or disclose any confidential information or trade secrets of any former employer or other person or entity, and Employee shall not bring on to the premises of the Company any unpublished document or confidential information belonging to any such former employer, person or entity, unless consented to in writing by the former employer, person or entity. Employee represents that he/she has not improperly used or disclosed any confidential information or trade secrets of any other person or entity during the application process or while employed or affiliated with the Company. Employee also acknowledges and agrees that he/she is not subject to any contract, agreement, or understanding that would prevent Employee from performing his/her duties for the Company or otherwise complying with this Agreement. To the extent Employee violates this provision, or his/her employment with the Company constitutes a breach or threatened breach of any contract, agreement, or obligation to any third party, Employee shall indemnify and hold the Company harmless from all damages, expenses, costs (including reasonable attorneys' fees) and liabilities incurred in connection with, or resulting from, any such violation or threatened violation.

11. GENERAL PROVISIONS.

A. Governing Law; Consent To Personal Jurisdiction. The laws of the State of Minnesota shall govern the Employee's employment and this Agreement without regard to conflict of laws principles. Employee hereby consents to the personal jurisdiction of the state courts located in Hennepin County, State of Minnesota, and the federal court sitting in Hennepin County, State of Minnesota, if that court otherwise possesses jurisdiction over the matter, for any legal proceeding concerning the Employee's employment or termination of employment, or arising from or related to this Agreement or any other agreement executed between the Employee and the Company.

B. Entire Agreement. This Agreement, together with the Exhibits hereto, sets forth this entire Agreement between the Company (and any of its related or affiliated entities, officers, agents, owners or representatives) and the Employee relating to the subject matter herein, and supersedes any and all prior discussions and agreements, whether written or oral, on the subject matter hereof. To the extent that this Agreement may conflict with the terms of another written agreement between the Employee and the Company, the terms of this Agreement will control.

C. Modification. No modification of or amendment to this Agreement will be effective unless in writing and signed by Employee and an authorized representative of the Company.

D. Waiver. The Company's failure to enforce any provision of this Agreement shall not act as a waiver of its ability to enforce that provision or any other provision. The Company's failure to enforce any breach of this Agreement shall not act as a waiver of that breach or any future breach. No waiver of any of the Company's rights under this Agreement will be effective unless in writing. Any such written waiver shall not be deemed a continuing waiver unless specifically stated, and shall operate only as to the specific term or condition waived and shall not constitute a waiver of such term or condition for the future or as to any act other than that specifically waived.
